RESPONSE TO OFFICE ACTION

Sir:

This paper is herewith filed in response to the Examiner's Office Action mailed on June 27, 2005, for the above-captioned U.S. Patent Application. As such, no petition for an extension of time or fee is believed to be due, as this response is herewith filed within the shortened statutory period. However, should the undersigned attorney be mistaken, please consider this a petition for any extension of time that may be required to maintain the pendency of this Patent Application, and charge deposit account no.: 50-1924 for any required fee deficiency. As there is a net gain of one independent claim in excess of three independent claims and a net gain of zero claims in excess of twenty, an extra independent claim fee of \$ 200 is enclosed. Please charge any claims fee deficiency to the previously noted charge deposit account no.
